

Kinma Enrolment strategy

Kinma is a stimulating alternative to mainstream education where children from 3 - 12 years enjoy learning; where co-operation, trust, integrity and friendship are the building blocks of our educational philosophy. Kinma operates within the policies of the NSW Board of Studies.

All applications will be processed in order of receipt and consideration will be given to the applicant's support for the ethos of the school, siblings already attending the school and other criteria determined by the school from time to time. Once enrolled, students are encouraged and supported to support the school's ethos and comply with the school rules to maintain the enrolment.

Procedures

1. All applications should be processed within the school's enrolment strategy.
2. Consider each child and their family and invite them to spend time at the school.
3. Consider each applicant's educational needs. To do this, the school will need to gather information and consult with the parents/family and other relevant persons. A more detailed breakdown of procedures is held in the Staff and Parent's Handbook.
4. Identify any strategies which need to be put into place to accommodate the applicant before a decision regarding the enrolment is made.
5. Inform the applicant of the outcome.

Student population

At Kinma we have 75 children in Preschool and Primary. As Kinma is a parent managed school, parent involvement is fostered at all levels, be it in the classroom, on excursions or at home. Each parent along with the children are valuable members of the school.
